

3500 S Road Closure and Detour Map

Description of Work and Time Frame

Due to a recent water leak repair that required the removal of a section of asphalt on 3500 South, Eckles Paving will be performing an asphalt patch repair at the intersection of Katherine Drive and 3500 South. This work will require a road closure with limited access along Katherine drive and some portions of 3500 S. Please review the map above and Traffic Control Plan while work is being completed.

This portion of 3500S will be closed from **September 8th to September 10th.**

Thank you for your patience and support as we complete this work.

If you have any questions or concerns contact Magna Water District at (801) 250-2118.
