

LEGEND

-  Phase 1
-  Phase 2

Magna Water District is planning a waterline project along 3500 South and other various streets in Magna that will impact local residents and businesses. The project will start at the beginning of May 2021 and is projected to end in September 2021. Delays, detours and night work are to be expected.

Phase1 of this project will be along 3500 South from 8000 West to Magnolia St. (7495 West). (See map).

Phase 2 of this project will be along Montclair St., Washington Rd., 7525 S, and Elusive Way. (See map).

Schedule	Expected Start Date	Expected End Date
Phase 1	May 3, 2021	September 14, 2021
Phase 2	June 7, 2021	August 15, 2021
