2022 WATERLINES REPLACEMENT PROJECT

MWD IS REPLACING EXISTING WATER LINES IN KATHERINE, EDITH & FLORENCE DRIVES THAT ARE AGED & DUE FOR REPLACEMENT. NEW WATER LINES WILL REDUCE SERVICE & MAINTENANCE ISSUES & INCREASE FIRE FLOW IN THE AREA. WE ANTICIPATE MINOR TRAFFIC DISRUPTION (LANE SHIFTS & FLAGGERS) ALONG KATHERINE DR. BETWEEN EDITH & FLORENCE. TEMPORARY WATER SERVICE SHUTDOWNS WILL BE REQUIRED AS WATER SERVICE LINES ARE CONNECTED TO THE NEW WATER LINE. SHUTDOWNS WILL BE TEMPORARY & PLANNED DURING BUSINESS HOURS. NOTICES WILL BE DELIVERED TO AFFECTED CUSTOMERS PRIOR TO SHUTDOWNS.

EST. PROJECT SCHEDULE

START:
FIRST WEEK IN JUNE 2022

END:
AUGUST 2022

CONSTRUCTION COST

\$750,000

ZONE 3 SECONDARY WATER PUMP STATION PROJECT

THIS PROJECT INCLUDES CONSTRUCTION OF A NEW BOOSTER PUMP STATION AT THE RECENTLY COMPLETED ZONE 2 RESERVOIR SITE WHICH WILL PROVIDE SECONDARY WATER TO ZONE 3 DISTRIBUTION & A FUTURE RESERVOIR. UPON COMPLETION, MWD WILL HAVE SECONDARY WATER IN ALL 3 PRESSURE ZONES. THIS PROJECT WILL ALSO EXPAND CAPACITY OF OUR ZONE 3 DRINKING WATER PUMP STATION TO ACCOMMODATE CURRENT & FUTURE DEVELOPMENT.
